

**FACULTY OF
PUBLIC HEALTH**

Faculty of Public Health EXPO & Annual Conference 2017

Abstract Guidelines

Abstract Submission Deadline

- Mid-night Sunday 19 March, 2017
- Abstracts can be submitted for poster presentations.

Please structure your abstract as follows:

- Title – 150 characters
- Background – 250 characters
- Aim – 250 characters
- Method – 550 characters
- Results – 600 characters
- Conclusions – 600 characters
- Learning audience – 300 characters
- Please note that this count includes spaces and punctuation

Review process:

- A team of judges will decide which abstracts shall be accepted as oral sessions. All accepted abstracts will be arranged into sessions based upon topic, duration of presentation and target audience.
- The Judges decision will be final. We look forward to seeing your submissions and thank you for taking the time to submit an abstract.
- All presenters must register to attend the conference
